## BRYAN SPENT ANXIOUS HOURS

INJUNCTION PLANK HARDLY WORTH PAPER WRITTEN ON.

Relieved From Suspense by Advice From Washington Showing Hill Bill Provided for Punishment in Direct Contempt Cases.

Lincoln, Neb., July 20.—Influential eastern Democrats notified Bryan that in their opinion the anti-injunction plank of the platform adopted at Denver is hardly worth the paper it was written on, the reason alleged by them being the David B. Hill bill, passed by the senate, which specifically endorsed by Democrats, simply carried out the common law provision granting jury trial in contempt cases. "In jurisdiction of the presiding judge," the plank was drafted on the assumption the Hill bill was passed only after it had been amended by Senator Allen of Nebraska, to make a trial by jury provision mandatory at demand of the defendant. Bryan spent several anxious hours after receiving this information. The allegation that he and a majority of the committee on resolutions had been tricked caused him to worry and he admitted he was to have an inquiry set on foot. The Associated Press this afternoon relieved his suspense by explaining to him that advice from Washington showed the Hill bill, as finally adopted by the senate of 1896, provided for summary punishment by the court in direct contempt cases, but making it mandatory for court to grant trial by jury in all cases where such contempt was committed outside of the jurisdiction of the court, and where such jury trial was demanded by accused. This was the Allen amendment and it cleared up what threatened to become an awkward situation for the Democratic candidate for the presidency.

The part that the prohibition question will play in the campaign was talked over between Bryan and Wiley R. Phillips, of Los Angeles, who is returning from Columbus, Ohio, where he was delegate to the national prohibition convention. Phillips said a number of prohibitionists would vote for Bryan as against their own candidate. He thought the prohibition movement would affect the vote in close states and was unwilling to concede to Taft many of these votes.

The appeal of Bryan to farmers for campaign contributions is bearing fruit. To day a number of responses were received, the sums enclosed varying in amount. The appeal by Bryan to Democratic newspapers of the country to begin collection of funds for the campaign was one of the important happenings of the day. Late this evening George Fred Williams, of Boston, arrived and he and Bryan had a lengthy conference.

## RETURNED AFTER ABSENCE OF FORTY YEARS.

Former Morgan County Residents Were Visitors Here.

W. B. Garlick of Kansas City and brother J. P. Garlick of San Francisco, are back in Morgan county, after an absence of over forty years, and at present are visiting friends in Chandlerville. J. P. Garlick graduated from Illinois college in 1862 and went to California in a wagon train the following year, the last year in which travellers employed the prairie schooner method of crossing the plains. W. B. Garlick was serving in the army, but subsequently went west. Both men have many friends in this vicinity, who will be glad to learn of their return.

## PASSAVANT NOTES.

Mrs. G. H. Hall of Alexander was a caller at the hospital on Monday. J. C. Richards of Murrayville called at Passavant Monday to see his daughter, Miss May Richards, who is one of the staff of nurses.

The executive committee of the Passavant board of trustees held its monthly meeting Monday morning at 8 o'clock. All members were present except Mr. S. W. Nichols, who is out of the city.

Marston Boatman of Carlinville was a caller at Passavant yesterday, having come up to see his daughter, Miss Edna Marston, who is one of the nurses.

## PRINCIPAL RESIGNS.

Miss Ross of this city, the efficient principal at the Waverly high school has resigned her position.

## OFF TO BAYVIEW, MICH.

Judge M. T. Layman, wife and daughter, Miss Bessie, expected to leave in the morning for Bayview, Mich., for a visit. Judge Layman will return in two weeks but his wife and daughter expected to remain longer.

## DUPED INVESTORS

Stock Broker Charged With Using United States Mails for Fraudulent Purposes.

Chicago, July 20.—J. W. Musselman, stock broker, appeared in the federal court today and gave bond for his appearance when the case against him is called for trial. He is charged with using the United States mails to promote the fraudulent sale of stock of the American Pencil Vending Machine company. He is said to have duped investors in all portions of the country, by representing the company, of which he was president and general manager, had a monopoly on the business of vending pencils by means of an automatic machine and that the earnings aggregated \$170,000 a year, whereas postoffice inspectors declare he never installed any of the machines, but appropriated to his own use the funds received from sale of the stock.

## GUFFEY FACTION

Passed Resolution Denouncing Action of Democratic National Convention at Denver.

Philadelphia, July 20.—At a meeting to night of the Democratic city committee of Philadelphia, which is controlled by the Guey faction, a resolution was adopted, which, while endorsing Bryan and Kern, denounced action of the Democratic national convention at Denver for unseating eight delegates from Philadelphia in favor of delegates opposed to the organization. The resolution was presented by County Commissioner Donnelly, one of the city leaders, who led the fight before the credentials committee at Denver in behalf of the eight delegates who were unseated and the resolution was adopted unanimously.

Donnelly, in offering the resolution, made a speech in which he declared the action of the Denver convention in unseating the eight Philadelphia delegates was a "high handed outrage and an act of political larceny."

## DIED PENITENT.

Pond du Lac, Wis., July 20.—A small funeral procession wended its way to Reimel and buried C. J. L. Meyer, founder of Hermannville, Mich., first president of the Northwestern railway, and once owner of half of this city. He died in Milwaukee Saturday, penniless and alone. His fortune of more than million dollars was wiped out, it is said, through unwise speculation on the part of a son now dead.

## BACK TO PENITENTIARY.

Williams, Ariz., July 20.—After living the exemplary life of a private citizen for eleven years, Frank Sherlock to day is on his way back to the New Mexico penitentiary to serve out the two years of a four year sentence for horse stealing.

Eleven years ago Sherlock escaped from the prison. He was betrayed to the authorities by a fellow convict whom he discharged.

## DEATHS.

Bad Nauheim, Germany, July 20.—Vice Admiral Rojesvsky, who commanded the ill-fated Russian fleet which was annihilated by the Japanese in the sea of Japan in May, 1905, died here last night from heart trouble.

Guayaquil, Ecuador, July 20.—Ignacia Veintemilla, former president of Ecuador dead, aged 78.

## KINDERGARTEN MEETING.

Rev. C. R. Morrison Will Be Asked to Take Presidency for Next Year. The Kindergarten board held a meeting yesterday afternoon at which the policy of the board for next year was discussed. It was intimated that the financial conditions for next year will be much more favorable than at any time in the past. Definite action was not taken on any matters of major importance. Dr. R. O. Post has resigned, and it is understood that Rev. C. R. Morrison will be asked to take the presidency of the board for the ensuing year. It is hoped that some favorable location can be secured for holding the sessions of the kindergarten. In no city is the doctrine of Friedrich Froebel working out more satisfactorily or bringing more tangible results than in this city.

Ice cream social at Centenary lawn this evening.

## CAMPERS TO MEREDOSIA.

The following will go to Meredosia to day for a brief camping trip: Misses Nita and Edna Taylor, of Chapin; Miss Lucia Lippincott, Katharine Taylor, George Moore, Ed. Vickery, Lamar Halliwell, Mr. and Mrs. Tucker and Mr. Markham of Chapin will act as chaperones.

## SECOND WEEK OF OLYMPIC GAMES

FIRST DAY DEVOTED PRINCIPALLY TO FIELD SPORTS.

American and British Contestants Gather in Lion's Share of Laurels—Other Nations Not Improving Their Positions.

London, July 20.—Second week of the Olympic contests began with the first day devoted principally to field sports, such as the Americans are accustomed to witness. Track athletics were the stars and the program contained many fast and exciting events. The American and British runners and jumpers gathered in the lion's share of the laurels as usual, but the Americans exceeded even the expectations of their supporters.

Spectacular features to day were seventeen trial heats of 100 metres sprint and eight trial heats of 800 metres. They furnished several close and stirring finishes. In the sprints, America captured eight heats and Great Britain four. Jarector of the University of Virginia, was the particular star, for he beat quite handsly K. G. McLeod, of Cambridge, holder of three variety blues, who never before was beaten, and in doing so he beat the Olympic record for the distance of 10 4-5 seconds. The names of Shepherd, Halsstead and Bears, Americans, went up on the blackboard as winners for their heats in the 800 metres race.

C. J. Bacon, of the Irish-American Athletic club, captured his heat of the 400 metres hurdle race in 57 seconds, winning by 25 yards; while Coe distinguished himself by defeating Densham, former British champion, although he had just contested a hard 800 metres against Lundhi. The British won six and the Americans three of the nine heats in hurdles, but a majority of these were unexciting, because they were walk-overs. C. M. Daniels, of the New York Athletic club, American champion, won the swimming event in fast time, 1:05 3-5, which equals the Olympic record. The standing broad jump was won by Ray Ewry, American champion, with 10 feet 11 inches. George N. Mehnert, of the National Turn Verein, (American), took the final in the bantam wrestling, while George W. Galdzik, of the Chicago Athletic association, won his heat in the high diving competition.

The results to day added three wins to America's score and one to France, other nations not improving their positions. In the field events America added six points. America is now only eight points behind the United Kingdom, the score reading: United Kingdom, 54; America, 46.

## WAS BADLY INJURED.

E. S. Cook Has Arm Crushed at Bridge Works.

E. S. Cook, of 324 West Morgan street, was badly injured while working at the Illinois Steel Bridge company yesterday. His arm was crushed between a crowbar and a heavy piece of iron. Dr. Carl E. Black was hurriedly summoned and pronounced the case one of contusion of the flesh, and reported no broken bones. Nevertheless the injury is of a sufficiently serious nature to prevent work on the part of Cook for several weeks. It is understood that the accident was not the fault of the workman.

## WILL SPEAK HERE.

John W. Evans of Decatur was in the city yesterday and is making arrangements for George E. Foss, of Evanston, who is running for United States senator and who will be here Wednesday. Mr. Foss will probably speak in the park and will secure the services of the band. He will arrive here at 8:28 a. m. and will leave at 11:17 a. m. He will stop at the Pacific hotel.

## "AMERICAN DAY."

Frankfort on the Maine, July 20.—Today was practically "American Day" at the Turner's tournament here. The visitors from the United States were out in full force, while many thousands of the general public applauded the massed dumb-bell exercises. In other portions of the grounds, baseball and football games were played and horizontal and parallel bar exercises and swinging of Indian clubs were carried out.

CENTER FIELDER SOLD. Bloomington, Ill., July 20.—Fred Beck, center fielder of the Bloomington team of the Three-I league was sold to the San Francisco team of the Pacific Coast league.

MINNESOTA MAN SHOT. Fergus, Minn., July 20.—John Lida, of Otto, shot and killed P. Harter to day. Harter, it is alleged, was endeavoring to enter the Lida house armed with a corn knife. Lida gave himself up.

## DESPONDENT MOTHER

Drowns Self and Two Children in East River Wednesday—Bodies Picked up Today.

New York, July 20.—Despondent because of ill health and fearful of the fate which might await her two children if they were left alone to face the world, Mrs. Gussie Benson drowned herself and little ones in the East River.

For several years Mrs. Benson had lived with her husband and children on a South Dakota farm, but when her health failed she decided to return to the city. With her came the children, a boy 4 and a girl 2. When the change of scene failed to have the hoped for effect upon her health, Mrs. Benson became despondent. Wednesday she started for a walk with the little ones and did not return. Today the bodies of the mother and children were picked up in the river. It is believed Mrs. Benson sprang from a ferry boat with the children in her arms.

## ROWING ASSOCIATION.

Quincy Is Winner of Majority of Events.

Burlington, Ia., July 20.—Winners of the Central States Rowing association's regatta to day were:

Junior singles, one and one-half miles—R. G. Craig, Detroit. Time, 12:10.

Junior doubles, one and one-half miles—North Side club, Quincy. Time, 10:56.

Junior single sculls, half-mile—Joseph Lepping, St. Louis. Time, 2:26.

Six-oared barge, juniors, three-quarters mile—South Side club, Quincy. Time, 3:13.

## ATLANTIC FLEET

Five Men Scalded, Three Severely, by the Bursting of a Steam Pipe on the Kearsage.

Honolulu, July 20.—Boat races, basketball ball and other sports today, and tonight a gala performance of comic opera, "The Mascot," were the chief features in today's entertainments of officers and men of the Atlantic fleet. There was also an excursion to Pearl harbor where Rear Admiral Sperry and staff inspected the location of the new naval station for the islands.

The bursting of a seven inch steam pipe on the Kearsage late Saturday, which did not become generally known until this morning, proved not to be as serious as at first reported. Five men were scalded, but only three severely burned. The accident did not interfere with the Kearsage sailing with the fleet Wednesday for Australia.

## IN HONOR OF MISS MCENROE.

Mr. and Mrs. Patrick Quigley entertained a number of friends Monday evening in honor of Miss Marie McEnroe of East St. Louis. Twelve couples were present and progressive euchre furnished the means by which an evening was happily spent. The first prizes went to Miss Kathleen Walsh and Frank Kelly; consolation prizes to Anna Buhle and Leo Calhoun; the guest's prize went to Miss McEnroe. Refreshments were served. The home was prettily decorated for the occasion. The following assisted: Miss Lulu Ophlin, Misses Agnes and Elizabeth Coffee and Miss Catherine Kiloran.

Miss McEnroe has been visiting friends in the city for some time. Miss McEnroe was also the guest of honor at a dinner party given Sunday evening by Miss Kathleen Walsh at her home on South Hardin avenue. An elaborate menu was served in a faultless manner and the function was a most enjoyable one. There were six couple present.

The Epworth league of Centenary church will give an ice cream social on the church lawn this evening.

## CARD OF THANKS.

We wish to thank our friends and neighbors for kindnesses shown us during the sickness and death of our father and husband. We wish to especially thank the beloved body of Odd Fellows.

Susan M. Ulmer.  
Louis Ulmer.

## MANY ON EXCURSION.

Over a hundred persons went on the Wabash to Hannibal and Quincy, last Sunday. The Alton repeated the excursion on Monday and nearly a hundred persons went from Jacksonville to Louisiana and thence to Quincy. Both excursions were a success and were unmarred by accident. Those who went on them were favored by propitious weather and report an excellent time.

### HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

## YATES GETS USE OF BIG ARSENAL

Adjutant General Scott Gives Consent to Use Building for Large Gathering August 1.

Adjutant General Scott wired his office this morning from Fairfield to grant permission to the Sangamon county Yates organization to use the arsenal on the evening of Saturday, Aug. 1, for a rally of the friends and supporters of Mr. Yates, says the Springfield News.

A committee representing the former governor called on General Scott a few days ago, asking for the use of the big building on this occasion. General Scott did not give a definite reply, but promised an answer within a few days.

He wired Assistant Adjutant General Shand this morning to grant the building to the petitioners.

Preparations are now being made to hold a record breaking demonstration in behalf of the former governor on this occasion.

It is on the plans to bring all the surrounding country here, making the Springfield rally a central meeting point for Sangamon and many other counties nearby. A delegation from Chicago is also assured. Congressman Lorimer and others of note from that city will be present. Possibly P. H. O'Donnell, who made the attack on Deneen at the Yates meeting in Greenfield Saturday evening, will be present.

The Yates men promise to fill the arsenal as they did the Coliseum in Chicago a few weeks ago.

### JAPAN AND THE JAPANESE.

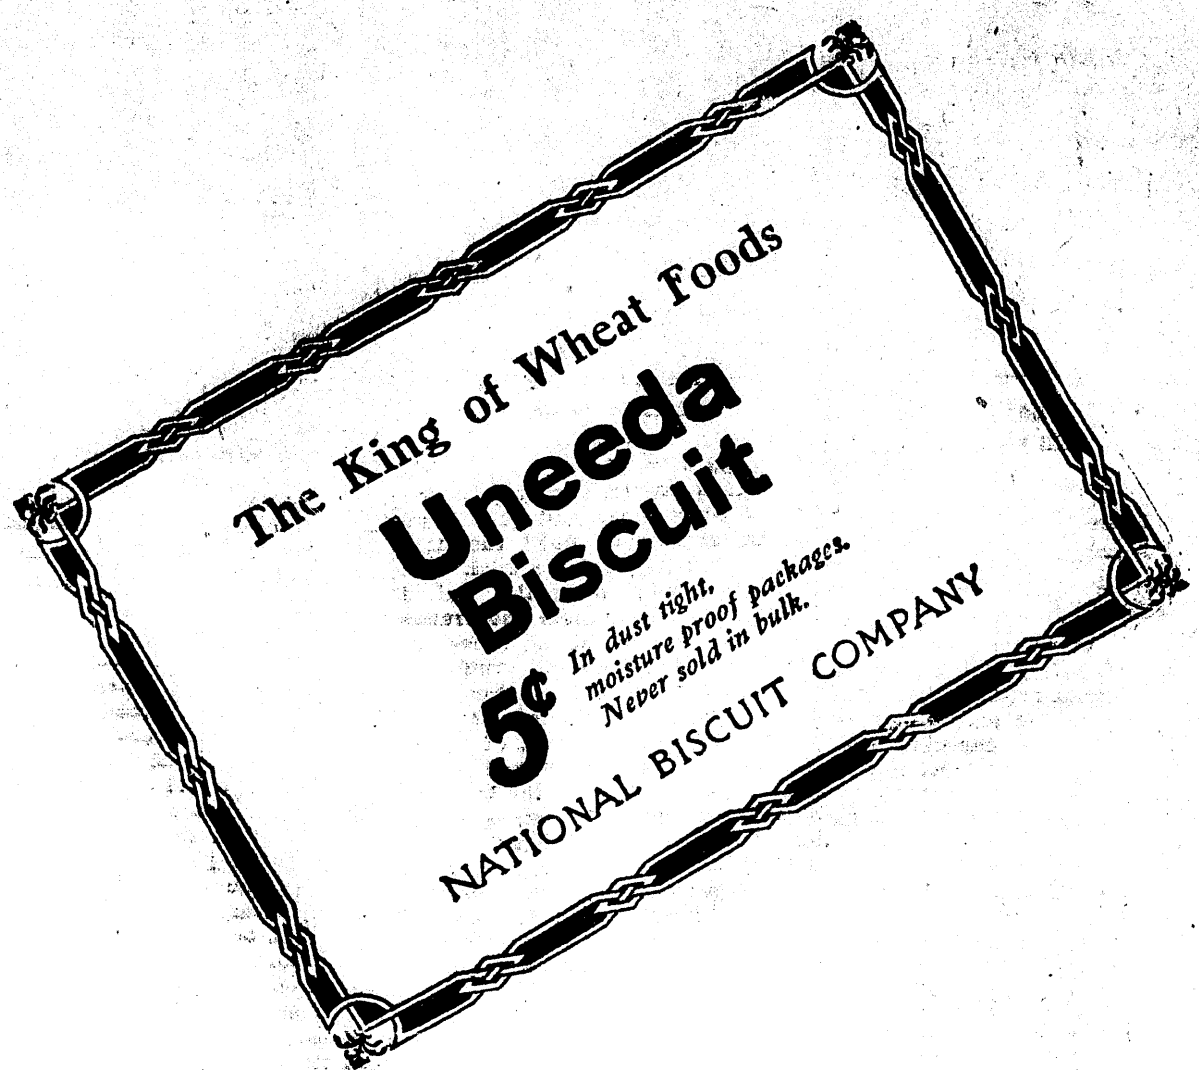

Miss Olive Hunt, seven years a missionary in Japan and recently returned from a second trip to Japan, will lecture at Clark's chapel, five miles northeast of Jacksonville, Thursday evening, July 23, under the auspices of the Aid society of the chapel. Ice cream will be served in cones before, during and after the lecture. During the lecture the following personalities will be in costume:

Buddhist priest, teacher, policeman, blind man, carpenter by Elmer Nicholson, Edgar Cully, James McDowell, George Hoagland. Buddhist mourner, Mrs. Effie Cully. Guests, Mrs. Lulu Nicholson, Miss Viola Robinson and Mrs. George Hoagland.

## Tempting Values in Wash Suits

**85 Choice Summer Creations in Linene and Linen, all Colors, Surprisingly Priced from \$5 to \$12.50**

What is more charming or more desirable than a cool, crisp, comfortable, becoming, wash suit? Little wonder that women welcome the season for their vernal. We are positively sure that the demand for these delightful suits of which we have an assortment of about eighty-five will be so great that the suits will disappear as if by magic.

No special offering could be more timely, for it comes right in the midst of the wash suit wearing season. Come—view the suits. You will agree with us in thinking that they are the daintiest and prettiest effects imaginable. Numerous styles are shown in both Linene and Linen and a wide variety of colors and in all sizes.

And you will agree with us in saying that the prices are exceptionally low.

Seek where you will in this city but you will find no showing of wash suits so pleasing to choose from—no styles so captivating—no prices so low. It's the most attractive wash suits showing this store has ever offered you—we would that we had twice eighty-five of these pretty wash suits. Need we say more to incite your interest than the descriptions printed below?

The details tell of style, materials and price but fall far short of giving you an adequate idea of the desirableness of the suits and of their extraordinarily low prices.

### Y. M. C. A. NOTES.

Boys Sunday Afternoon Reading club was organized at the Y. M. C. A. Sunday afternoon. The object is to spend from one to two hours each Sunday afternoon reading some religious book that is good and interesting. They read "Jimmy Moore of Bucktown" Sunday afternoon, which is a most interesting book concerning a boy that worked wonders in a suburb of Grand Rapids, Mich. and is a true story written and vouched for by Melville Trotter, the noted slum worker and evangelist. Next Sunday they will take "The Little Shepherd of Kingdom Come." Any boy is welcome to join the club and no fee is charged.

## S.S.S. CURES SKIN DISEASES

When the blood is pure and healthy, the skin will be soft, smooth, and free from all blemishes and eruptions; but when some acid humor takes root in the circulation, its presence is quickly manifested by some form of skin disease. The skin receives its necessary nourishment and strength from the blood. When, however, this vital fluid becomes a humor-laden stream, it can no longer preserve the healthy, natural appearance of the skin, but by its acid, impure nature continually irritates and inflames the delicate tissues and fibres and keeps the cuticle in a diseased and disfigured condition. External applications cannot reach the blood, and therefore are beneficial only for their ability to reduce inflammation, and assist in keeping the parts clean. To cure any skin trouble the blood must be purified of the humors that are causing the trouble. S. S. S. drives out the humors from the blood so that the skin, instead of being irritated and diseased, is nourished by a healthy, cooling stream. S. S. S. goes down into the circulation and removes every particle of impure matter, all acids and humors, and restores the blood to its normal, pure condition, thereby curing every form of skin disease or affection. Book on skin diseases and any medical advice free to all who write.

## NO DEMOCRATIC CANDIDATES

Party Will Have no Representatives in Nine Congressional Districts of State.

In nine congressional districts in the state, owing to blundering, the Democrats have no candidate for membership of the state board of equalization and in one district the Republican have no candidate.

Petitions as candidates for the nomination for member of the state board of equalization have not been filed by Democrats in the first and tenth, both Cook county districts, and in the eleventh, twelfth, fourteenth, fifteenth, eighteenth, twenty-second and twenty-fifth, downstate districts.

The Republicans have no candidate for member of the board of equalization in the twelfth district, the district now represented by Louis D. Hirschheimer of Pittsfield, the only Democrat elected to the board four years ago.

The prohibitionists have no candidate in the first, third, eighth, sixteenth and twenty-fifth districts, and the socialists have no candidates in the fifth, sixteenth and twenty-fifth districts.

In the first district the Republican candidate will be opposed only by a socialist and in the twenty-fifth district the Republican candidate will be unopposed.

The attorney general knows of no provision of the new primary law by which candidates for the office can now be put in nomination in the districts where there are none.

In three senatorial districts in which state senators are to be elected this year the Democrats have no candidates. They are the eighth, Speaker Shurtleff's district; the tenth or Rockford district, and the twenty-second, or Vermillion county district.

## FREIGHT HOUSE SITE ASSURED

ACTION OF COUNCIL MAKES  
NEEDED IMPROVEMENT A  
CERTAINTY.

Vacation Ordinances Passed by Unanimous Vote—Water Company's Communication Is Placed on File—All Business Transacted With Neatness and Dispatch.

A special meeting of the city council was held Monday night and a great deal of business was transacted in a very short period of time. Mayor Widmayer and all aldermen except Ald. Bahan were present. The session lasted just about three-quarters of an hour, but that time was sufficient to permit the aldermen to vacate portions of East College street and the nearby alley, thus clearing the way for the new Alton freight house; to grant permission to residents of East College street to change the grade of certain sidewalks; to allow a concrete walk constructed around Centenary church; to discuss a communication from the Jacksonville Water company, receive and file it.

The vacation ordinances went through without a dissenting vote. Ald. Goveia and Kendrick voted in the affirmative for these measures and in doing so took occasion to reprimand the Journal for venturing in a recent issue to criticize the council. Ald. Goveia also expressed his disapproval of some methods of the Jacksonville Business Men's association. As a whole it was a very satisfactory session of the council and many spectators present could not but approve the dispatch with which business was transacted. Among citizens outside the hall were Judge T. B. Orear, A. T. Capps, W. T. Capps, Dr. Edward Howe, Dr. Gilles, C. A. Boruff, Thomas Reaugh, A. Wehl, W. T. Wilson, J. E. Gates, G. P. Davis, Perry White, G. E. Mathews, Chief of Police Hurst, J. N. Ward, M. Van Houten, Bernard Gause, M. R. Pritch, Isaac Powers, J. J. Shepherd, Frank Rataichak, Earl Wiswell and W. N. Hairgrove.

**The Proceedings.**  
The council was called to order at 7:40 o'clock by Mayor Widmayer. The roll call by Clerk Davis showed all aldermen present except Ald. Bahan.

The clerk read the call which showed that the council had been called for the purpose of passing on ordinances to vacate parts of East College street and an adjoining alley, to receive a communication from the Jacksonville Water company; to act on a petition from residents of East College street, with reference to a change of grade, and to act on a petition from Centenary church for permission to lay a concrete walk.

As the first order of business under the call, Clerk Davis read the ordinance providing for the vacation of part of an alley adjoining the Chicago and Alton yards.

Ald. Merrigan, with a second by Ald. Loneragan, moved the adoption of the ordinance.

Ald. Wells asked if the company had filed a blue print with the ordinance and was answered in the affirmative.

Ald. Goveia asked if Mr. Rabjohn, who owns property next to the Alton yards, was present, as he understood the gentleman had some questions to ask. Mr. Rabjohn was not present, and it was stated that he had secured the desired information from the blue print.

The roll was then called on the ordinance and it was passed unanimously.

Ald. Kendrick explained his vote as follows: "I said some time since that I would vote for this ordinance if the property owners were settled with, and, as this has been done, I

am going to keep my word. If I had not made this promise I would vote against the ordinance, because I do not like to be bulldozed. This is a Democratic administration, but the Journal has had lots of city business, and I don't think the criticism published Saturday morning and written by some hair-brained fellow, was deserved or sounds well from that paper. If I had my way all the city business from now on would go to the Courier."

The ordinance providing for the vacation of a part of East College street was read with an emergency clause. Ald. Kendrick, with a second by Ald. Goveia, moved the adoption of the emergency clause.

As an introduction to his motion Ald. Goveia said that he did not like to be bulldozed by the Journal, or any other advertising sheet and that moreover he did not like the treatment accorded by the Business Men's association, that instead of coming down and trying to bulldoze the council that the aldermen ought to be given time to investigate things. The emergency clause was adopted and then the same aldermen moved the adoption of the ordinance. The auditors applauded the action of the council and then G. E. Mathews, secretary of the Business Men's association, stepped forward and thanked the aldermen for their action, expressing the belief that they would not regret it.

The petition from the Centenary church committee for permission to build a walk was read, and, on motion of Ald. Wells, was granted.

Clerk Davis read the communication from the Jacksonville Water company, printed in Sunday's Journal, which set forth that the company is ready to furnish the city water and asked for an answer as to the city's intentions.

Ald. Kendrick, with a second by Ald. Loneragan, made a motion that the communication be received and placed on file and that the company be told to come in and ask for an extension of time.

Ald. Moore thought it proper to refer it to the water committee.

Ald. Wells said the matter should be referred to the city's attorneys, as they had been employed for advice in such matters.

Ald. Breckon offered an amendment to the effect that the council, after consultation with attorneys, prepare an answer. Ald. Moore made a second.

Ald. Loneragan was in favor of receiving the communication and placing it on file, because he said the franchise of the company had expired and the city had no relations with them.

Ald. Breckon said that business courtesy demanded an answer and he was in favor of giving one.

Ald. Loneragan said an answer might involve the city in some legal difficulty.

Ald. Moore said the matter demanded attention that otherwise it would mean a suit which might cost the city heavily. He believed if the matter were gone into properly that some plan might be devised whereby the company might take the plant and furnish a \$50,000 bond providing that the plant be returned to the city if the water is not supplied. The matter ought to be handled in a business like way, for to say nothing means to invite a law suit. The council ought to be fair with the company.

Ald. Loneragan said the council had been exceedingly fair and courteous to the company all along and that now there were no business relations between the city and the company.

Ald. McGinnis was in favor of laying the matter over until the next meeting, thus allowing time for a conference with the city's attorneys. Ald. McGinnis embodied this thought in an amendment to the amendment and Ald. Wells offered a second.

Both the amendment and the amendment to the same were lost and the original motion of Ald. Kendrick to receive the communication and place it on file and to notify the Water company to come in and ask for an extension of time was carried, Aids. Breckon and Moore voting no.

Ald. Wells brought up the matter of East College street, where some of the property owners want to move their walks out nearer the curb. He was in favor of it.

Ald. Merrigan was also in favor of the proposition.

Ald. Goveia said the matter was not in the call and could not be considered at this meeting. He was in correct in this opinion.

Ald. Goveia was opposed and said there was no fairness in letting the people on some streets move walks out and in preventing it on other streets. He said it might be all right to give away property to a railroad, but that it wouldn't do to give it to private citizens. He wanted the walks left where they are.

Ald. Loneragan was in favor of moving the walks, for he said that the walks along the street would then be on a line whereas they are now irregular. He said also that it would allow property owners to put their walks where tree roots would not destroy them. He thought the granting of the petition a mere matter of courtesy.

Mayor Widmayer said he had looked over the ground and that he thought the petition should be granted.

The motion to grant the change of grade was put and carried. Ald. Goveia alone voting no.

The council adjourned on motion

County Clerk Merrill Gets Certified Names of Candidates From James A. Rose, Secretary of State—Ballots Have Large List of Names.

County Clerk Merrill received Monday the primary election certificate from James A. Rose, secretary of state. As has been stated before the following will be the colors: Republican, white; Democrat, yellow; Prohibition, blue; Social, pink.

There is a ponderous list of names for the voters to select from being seven names on the Democratic ticket for governor alone.

The ballots have been put in the hands of local printers who will start at once in getting the same ready.

Election judges can get their supplies at the county clerk five days before election, but the ballots will not be given out until the day preceding the election, Aug. 8. The new law provides that no ballots shall be turned over to the judges until twelve hours before the polls open.

Heretofore the judges could get the ballots at any time from five days before up to the opening of the polls.

The ballots are the largest ever used in an election. While the law does not state explicitly as to the length, all must be five and one half inches in width. The Republican ballot will be forty-two inches in length and all according to number of names thereon.

Irregularities and periodic pains, Weakness of the Stomach, Indigestion, Bloating, Nervous Prostration, Headache, General Debility, quickly yield to it; also deranged organs, causing pain, dragging sensations and backache. Under all circumstances it acts in harmony with the female system.

It removes that wearing feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulency, melancholy or the "blues." These are indications of feminine disorders, which this medicine overcomes as well as slight derangement of the Kidneys of either sex.

## PATRIOTISM IN THE SUNDAY SCHOOL

Interesting Services Being Held at Baptist Church—Excellent Paper on "Our Flag."

The Baptist Sunday school is in the midst of what they designate a patriotic month and with proper decorations as well as special exercises each Sunday morning, are endeavoring to inculcate some definite ideas of patriotism in the minds of the children, as well as the grown-ups who attend. Last Sunday the efficient committee, consisting of Luther Lashmet and Miss Mattie Ator, succeeded so well in preparing a paper on "Our Flag," that it was thought timely to give the public the benefit of such good information on a subject that should mean so much to every citizen of our glorious republic.

Our splendid national emblem is a very familiar sight to the young people of this great nation, but it is probable that very many who hail it with enthusiastic cheers are quite ignorant of the circumstances which gave rise to its adoption. Probably all Americans believe that they know their national flag when they see it, yet many are certainly unable to distinguish between the standard stars and stripes and its spurious imitations. It is desirable for all to remember that the flag is not a haphazard arrangement of alternating stripes of red and white, with stars on a blue field, but an emblem fashioned in a manner prescribed by law and official regulations.

There is a striking resemblance between the design of our flag and the arms of General Washington, which consisted of three stars in the upper portion and three bars running across the escutcheon, and it is believed by many that the American flag was derived from this heraldic design. A careful investigation of the facts reveals the truth that several flags were used by the people of the state before the present one was adopted. The rattlesnake, the pine tree and the stripes in the various designs of the various colonies were among the flags which appeared before the 14th of June, 1777 on which date congress adopted the following: "Resolved, That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation." After the adoption of this resolution a stripe was added for every new state, but as it became manifest that in time the beauty of the emblem would be marred by the enormous proportion acquired with additional states, congress reduced the stripes to the original thirteen, and the stars were made to correspond with the number of the states.

A newspaper of the time, still kept in the government archives, said: "By this regulation the thirteen stripes will represent the number of states whose valor and resources originally effected American independence and additional states will mark the increase of the states since the present constitution."

No act has since been passed by congress alternating this feature of the flag, and the standard is the same as originally adopted, except as to the number of stars in its union.

In the war with Mexico the national flag bore twenty-nine stars in its union; during the civil war it had thirty-five in its union; from July 4, 1891 to July 4, 1908, it had forty-five stars, and now it has forty-six. The last star being added the 4th of this month, which is the date set for altering the flag.

Perhaps no flag on sea or land shows its grace and beauty of design as well as the emblem of the United States, as its proportions are perfect when it is accurately and properly made—one-half as broad as it is long—the first stripe at the top red, the next white, and these alternating colors make the last stripe red, the blue field for the stars being the width and square of the first seven stripes.

The Continental congress appointed a committee to supervise the union of the different parts of the national flag, and the following description of their design and significance was prepared:

"The stars of the new flag represent the new constellation of stars rising in the west. The idea was taken from the great constellation of Lyra, which in the hands of Orpheus signifies harmony. The blue in the field was taken from the edge of the Covenanter's banner in Scotland, significant of the league covenant of the United States against oppression, incidentally involving the virtues of vigilance, preservation and justice."

"The stars were disposed in a circle, symbolizing the perpetuity of the union; the ring like the serpent of the Egyptians, signifying eternity. The thirteen stripes showed with the stars the number of the united colonies, and denoted the subordination of the states to the union, as well as equality among themselves. The whole was the blending of the various flags of the army, and the white ones of the floating batteries. The red color, which in the Roman days was the signal of defiance, denoted daring, and the white purity."

## Nervous Headache

A WARNING.  
Not a disease but a symptom or sign which tells of thin blood and exhausted nerves. A warning that nerve force is becoming exhausted and that you are in danger of nervous collapse—prostration, paralysis, or even worse.  
What is to be done? Headache powders are dangerous and only leave the nervous system more exhausted than before their use.  
New blood must be formed, new nerve force created, and this is exactly what is accomplished by the use of

## Dr. A. W. Chase's Nerve Pills

Gradually, naturally and certainly the nervous system is built up by this great restorative treatment, until weakness, pain and discouragement give way to health, strength and vigor. The portrait and signature of A. W. Chase, M.D., the famous Receipt Book author are on every box, 50 cts. at all dealers or Dr. A. W. Chase Medicine Co., Buffalo, N.Y.  
Mrs. Richard Torey, Walnut Street, Ashland, Pa., states:  
"I was very much run down and suffered from severe headaches. Dr. A. W. Chase's Nerve Pills did me a world of good—cured the headaches, strengthened my nervous system and enabled me to sleep and rest well."

## THE PARK MEETING.

It was a free and easy congregation that gathered in the park Sunday evening and it was a large one. And how they listened! The singing and speaking woke up even the bench holders, scattered through the park. The solos by Prof. Olds and Mrs. Roberts started applause and the singing by the choir brought out the exclamation, "Good!" from many in the crowd. Dr. Morey received many thanks for the use he made of "Nathan Hale," in illustrating what Christian patriotism will inspire a man to do and to be. These outdoor services Sunday evenings are attracting a great deal of attention from country people and traveling men, and from that strange part of the public, whom, nobody knows and to whom nobody seems to care.

## HOW TO CURE SKIN DISEASES.

The germs and their poison must be drawn to the surface of the skin and destroyed. Zemo and Zemotone will do this and cure any case of skin or scalp disease no matter from what cause or how long standing. Write for sample. E. W. Rose Med. Co., St. Louis, Mo. See photo of cures and window or show case display by Armstrong's drug store.

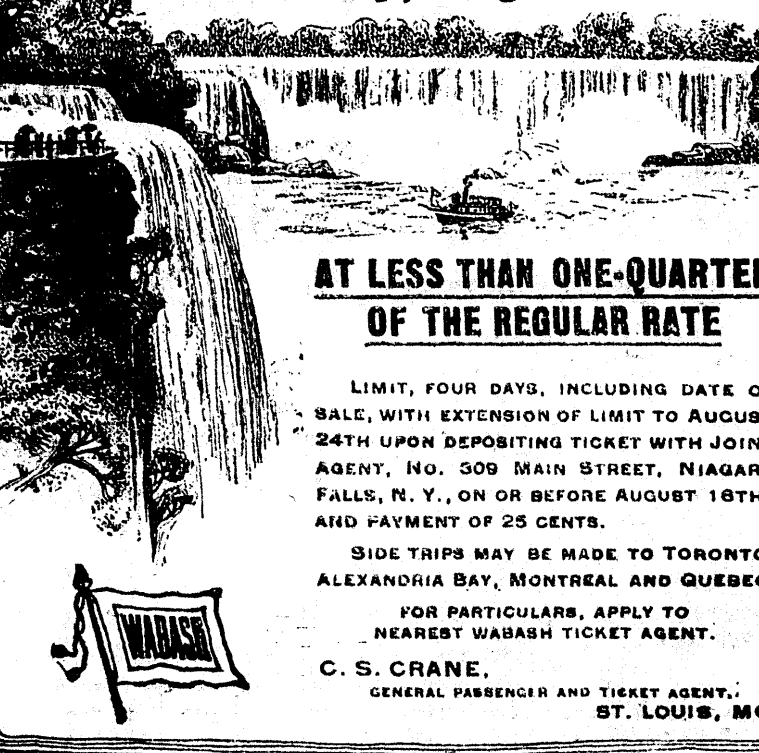

## There's No Servant Problem

There's no servant problem in the home where **Shredded Wheat** is known. Being ready-cooked and ready-to-serve, it is a boon to busy housekeepers in summer. It contains all the strength-giving elements of the whole wheat made digestible by steam-cooking, shredding and baking. It makes a delicious, nourishing meal in combination with fresh fruits. Try it. At your grocers.

Always heat the Biscuit in oven to restore crispness. Two Shredded Wheat Biscuits with milk or cream will supply all the energy needed for a half day's work. Try Toasted TRISCUIT, the Shredded Wheat wafer, for luncheon, with butter, cheese or marmalade.

## HEAT MAKES CHILDREN ILL

Summer is a very trying period for young children, and many a child who is usually healthy suffers during the heated term. There are many dangers for the child in summer. These lie in milk, food, water, fruit, etc. The greatest peril is from some form of stomach or bowel trouble. It is usually the starting point of graver troubles. The child becomes constipated, or gets indigestion. Perspiration is interfered with, worms develop, the skin becomes scaly and itchy, and the poor child is in much misery. Do not let it go, and trust to luck or fate for a cure. Use a remedy like Dr. Caldwell's Syrup Pepsin, which is intended to cure that very condition and is especially adapted to children's use. If the child has any of these symptoms, or has not had a passage in 24 hours, it needs Dr. Caldwell's Syrup Pepsin at once. Give it in the small dose prescribed for children and watch the wonderful effect. It will act promptly but gently, and as it is pleasant to take you will not have to force it. A bottle can be obtained of any druggist at 50 cents or \$1.00, and you should obtain a bottle today so as to have it on hand for an emergency. Many a mother has saved a child in this hot weather by the timely use of Dr. Caldwell's Syrup Pepsin. Thousands of mothers are getting to know it better and better and keep it constantly in the house as the first family remedy, appreciative of the fact that it contains absolutely no narcotics or harmful drugs. If you have never tried it you can obtain a SAMPLE BOTTLE FREE OF CHARGE by addressing the

## CRYING FOR HELP.

Lots of it in Jacksonville But Daily  
Growing Less.  
The kidneys cry for help.  
Not an organ in the whole body so  
delicately constructed.  
Not one so important to health.  
The kidneys are the filters of the  
blood.

When they fail the blood becomes  
foul and poisonous.  
There can be no health where there  
is poisoned blood.  
Backache is one of the first indi-  
cations of kidney trouble.  
It is the kidneys' cry for help. Heed  
it.

Doan's Kidney Pills are what is  
wanted.

Are just what overworked kidneys  
need.

They strengthen and invigorate the  
kidneys; help them to do their work;  
never fail to cure any case of kidney  
disease.

Read the proof from a Jacksonville  
citizen.

George W. Siegfried, living at 321  
E. Monroe street, Jacksonville, Ill.,  
says: "Doan's Kidney Pills have  
been used in my family with very  
satisfactory results. I do not hesi-  
tate to recommend them to the pub-  
lic as they are certainly all that are  
certainly all that is claimed for  
them."

For sale by all dealers. Price 50  
cents. Foster-Milburn Co., Buffalo,  
N. Y., sole agents for the United  
States.

Remember the name—DOAN'S—  
and take no other.

## WILL HAVE PIANO FACTORY.

The city of Champaign is constantly  
on the lookout for business enter-  
prises that will benefit her citizens  
and the chamber of commerce is very  
active in good works. In order to  
raise money for the purpose of bring-  
ing factories to Champaign the cham-  
ber of commerce recently platted a  
new addition to the city and 400 lots  
have been sold at \$300 with a big  
margin of profit. A part of money  
thus received will be used as a bonus  
for a big piano factory which is to  
be located in Champaign. The city  
is certainly enterprising.

## CORN FLAKES

[Toasted]  
The Improved Toasted  
Corn Flakes

E-C is the daintiest, best cooked,  
most crisply toasted, most deli-  
cious and most wholesome. An ap-  
petizing, satisfying breakfast dish—and  
just as good at other meals. All the fine  
natural flavor of the corn is retained in  
E-C, and no artificial flavoring is used.

Bishop's AM-OR-OU  
Corrects This Trouble  
Giving New Lease  
Of Life

THE KING OF ALL TONICS

Under the main spring of your  
watch is in order it is worthless—just  
the same with your stomach, that is  
the great spring of your life. If it is  
out of order, you are out of 100  
of all your troubles and ailments.

The many thousands of letters from  
suffering people who have used  
Bishop's AM-OR-OU attest this fact  
without a shadow of doubt.

It relieves and cures by  
acting directly upon the cause  
If you can only remember the  
appetizing, you sometimes feel  
after eating the food, nervous dis-  
position, giving you needless worry,  
often caused by overwork, too  
little exercise in the open air, or too  
much hastily eaten food. Your liver  
may be sluggish, thin, pale, and the  
kidneys may be out of order or  
dozens of imaginary ailments all hav-  
ing their foundation in the abuse of  
your stomach. Take courage! Though  
a mere pain-killer, I shall of your old-  
time self, there is hope for you in  
Bishop's AM-OR-OU the truest friend  
that man or woman ever had.

Bishop's AM-OR-OU is compounded  
in either Liquid or Tablet form, both  
containing the same herbs and veg-  
etable matter. Price \$1.00.

From thousands of unsolicited testi-  
monies, kindly read the following ex-  
tracts taken at random:

T. A. McKee, Union Mills, N. C.,  
writes: "Sample of AM-OR-OU was  
sent me last year and I found it  
and am feeling like a new man."

D. Deane, Liberty, Mo., writes: "I  
believe AM-OR-OU is a good medicine  
and everything that you claim for it.  
I feel better and I did the work of  
another man. Please rush."  
Geo. B. Howell, Portsmouth, N. J.,  
writes: "Sample of AM-OR-OU was  
sent me last year and I found it  
and am feeling like a new man."

## Cooler Kind of Footwear.

When the sun is pouring down red hot and your feet are bundled up in a pair of warm shoes, no wonder you are uncomfortable. Lay aside that warm pair of shoes and clothe your feet in something cool—that will have a cooling effect on your temperament. For a cool head, by all means cool footwear.

## Cooler Footwear

We suggest and recommend low shoes by all means for the warm days. There is a coolness about them, enjoyed by no other class of footwear. We show a great variety of low shoes; cool, comfortable, and easy, stylish, not so stylish and the plain easy every day kind, serge slippers and oxfords, strap slippers. Canvas shoes and oxfords, skuffers and barefoot sandals.

### MORTUARY

**Rinaker.**  
Lewis V. Rinaker, the young son of County Judge Rinaker of Cook county, whose home is in Chicago, died at 4:30 o'clock Sunday afternoon at the home of Mr. and Mrs. Thomas Rinaker, of Carlinville where he has been spending the summer visiting. His death followed an operation for appendicitis, performed shortly before noon Sunday. The boy has been a cripple for some time, which condition was precipitated by a fall some time ago, which at the time apparently affected his hip. His condition, however, has recently become more or less complicated, and the last few days he has suffered more acutely. Sunday his mother and younger sisters arrived from Chicago and his condition, which grew steadily worse.

**Fanning.**  
Mrs. Elizabeth Fanning, aged 72 years, passed away Monday evening at 10:45 o'clock at the family residence, 360 East North street, after a brief illness. Mrs. Fanning had been in poor health for a number of years, but was taken suddenly ill about a week ago and continued to grow weaker each day until the final end. Her death was due to pneumonia.

Deceased was born May 5, 1836, near Murrayville and has resided in this county all her life. She was married to George W. Fanning of Murrayville in 1856 and in the spring of 1868 they moved to this city where they have resided for the last forty years. She was a consistent member of the State Street Presbyterian church and was a conscientious Christian woman. She was a loving wife, a kind mother and a true friend and her loss will be keenly felt by all who knew her.

She is survived by her husband, George W. Fanning, two daughters, Miss Kate Fanning, Mrs. Ella Davis, and one son, Edgar, all of this city.

### FUNERALS

**Gregory.**  
The funeral services of Mrs. Amanda Kelly Gregory were held at 2:30 o'clock Sunday afternoon at the residence of Mrs. Eunice Kelly, 865 Beesley avenue and were conducted by Captain Reynolds of the Salvation Army, in the presence of a large gathering of friends. Several hymns were sung by a choir composed of Mrs. Frank Hygood, Mrs. Frank Nunges, Mrs. Nina Looker and Miss Minnie Flowers. Interment took place in Jacksonville cemetery and the bearers were Frank Hygood, Frank Looker, Ed. White, Lincoln Luce, John and Sherman Fordyce.

**Tingle.**  
The funeral of William Tingle was held at 9:30 o'clock Monday morning at the home of William Taylor, north of the city, and was in charge of Rev. W. S. Phillips. The singing was by Miss Patterson, Charles Patterson and William Masters and a number of appropriate hymns were sung. There were many beautiful flowers and they were cared for by friends.

The remains were escorted to Diamond Grove cemetery, where they were laid to rest, the bearers being J. H. Martin, Charles Black, Stanfield Baldwin, Charles Patterson, Antonio Nunes and T. P. Martin.

**Hanson.**  
Funeral services of Miss Irene Lucetta Hanson were held Sunday afternoon at 2:30 o'clock at residence of Mr. and Mrs. R. E. Henry, 519 West Lafayette avenue, and were in charge of Rev. Russell P. Thrapp, pastor of Central Christian church. There was a large assemblage of friends who gathered to pay a last tribute of respect to one they loved and held in high esteem.

Rev. Mr. Thrapp took as his text the words as found in Ecclesiastes 12-1: "Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years of thy life draw nigh, when thou shalt say, I have no pleasure in them." From these words the speaker drew an instructive lesson and found words of encouragement for the bereaved family. The music was by Miss Marie Finney, accompanied at the piano by Miss Alice Mathis. She sang in a very impressive manner two solos, "Asleep in Jesus" and "Beautiful Isle of Somewhere." There was a profusion of beautiful flowers, among the number being several handsome set pieces, besides numerous beautiful sprays. They were kindly cared for by Misses Flora Olliverson, Lillie Kiel, Altha Roberts and Lillie Macklin.

The remains were escorted to Jacksonville cemetery by a long line of vehicles conveying friends and relatives and were interred in the family burial lot. The bearers were Sidney Kiel, Thomas Drake, William Tobin, Arthur Bates, William Ricks and A. J. Martin.

**Uimer.**  
The funeral services of Charles H. Uimer were held Sunday afternoon at 2 o'clock, at the family residence, 867 Duolin avenue, and were in charge of Rev. Joseph C. Nate, pastor of Grace M. E. church. There was a large gathering of friends and relatives and the members of Urania lodge, No. 243, I. O. O. F., attended in a body. Several appropriate hymns were impressively sung by a quartet composed of Mrs. Harry Woods, Miss Bertha Ogram, J. Philip Read and E. M. Elliott.

There was a profusion of beautiful flowers and they were in charge of Mrs. George Taylor, Miss Gertrude Michaels, Mrs. Earl Taylor and Miss Anna Ferguson. The remains were laid to rest in Jacksonville cemetery, the commitment services being in charge of the Odd Fellows. The bearers were Dr. P. L. Hall, J. M. Salby, B. P. Cassel, Mathew Jensen, Onias Seymour and L. Goheen.

The remains of Mrs. Nancy Frainer of East St. Louis arrived Monday evening over the Alton and were taken from the station to Jacksonville cemetery where they were interred.

### SUNDAY MEETINGS

Arrangements Are Being Perfected for Revival Services—Committees Named.

More arrangements were completed for the "Billy" Sunday meetings, which are to be held here in October, at the session of the Jacksonville Evangelical association Monday morning at the Y. M. C. A. The president, Rev. R. F. Thrapp, presided and Rev. C. R. Morrison was selected as secretary pro tem in the absence of J. M. Davis, who was unable to be present on account of duties connected with the work on the improvements of the Y. M. C. A.

The president reported that over \$4,600 worth of stock had been signed up, thus leaving a little over \$300 not yet signed. A report for the building committee was made by Dr. W. O. Wait which showed that a majority of the building and fire committee of the city of Jacksonville and the committee of the Evangelical association had signed the contract permitting the construction of the Sunday tabernacle on the lot formerly occupied by the Cherry livery barn on East Court street.

C. A. Johnson was elected treasurer of the association to succeed Robert M. Hockenbush, who resigned, because of his selection as chairman of the finance committee.

In the instructions sent out by Mr. Sunday it is required that committees designated as secretarian, music, and ushers committees be selected and requires that two from each church be appointed on the first two committees and three for the music committee. The following were the committees appointed from the churches represented at the meeting:

**Westminster**—Secretarian, Prof. C. W. Taylor, Prof. R. O. Stoops, Music, W. T. Browne, Prof. Carl Songer, Ushers, Ensey Moore, Wm. Brady, DeMotte Gates.

**Central Christian**—Secretarian, H. C. Clement, Geo. W. Douglas, Music, Frank Plouer, Herbert Henderson, Ushers, W. D. Osborne, Joy Green, W. L. Linn.

**First Baptist**—Secretarian, Dr. G. H. Kopperl, Dr. G. S. Skeen, Music, L. E. Smith, L. E. Turner, Ushers, George Hocking, A. S. Loving, J. P. Brown.

**Congregational**—Secretarian, W. H. Sanford, Arthur Fairbank, Music, Mrs. J. A. Parsons, Mark Robinson, Ushers, Frank Read, Lathrop Ward, Earl Bowen.

**Grace**—Secretarian, William McCullough, H. E. Rusk, Music, Phillip Read, Rev. W. S. Phillips, Ushers, J. W. Breckon, W. C. Green, Thomas Hopper.

**Brooklyn**—Secretarian, Irvin Potter, Frank Rucker, Music, Paul Morrison, Herbert Rucker, Ushers, John McBride, Oliver Schofield, Charles P. Ross.

Members of these committee will be appointed from Centenary, State Street and Jordan Street churches.

The temporary chairmen of these committees appointed were: Secretarian, Dr. G. H. Kopperl; music, Rev. W. S. Phillips; ushers, Ensey Moore. These chairmen will call the committees together and the committees will then select their regular officers.

Several ministers present spoke of the importance of speaking in regard to candidates for the legislature from the pulpit, but no action was taken. The meeting then adjourned.

Ice cream social this evening on Centenary church lawn.
